**October 24th: MCPS Transition
Fair, 6:30pm-8:30pm RMHS**

**November 27th: Workshop Day-
CPP Open to Transitioning Youth**

IT WAS A WONDERFUL SUMMER!

PROGRAM UPDATE

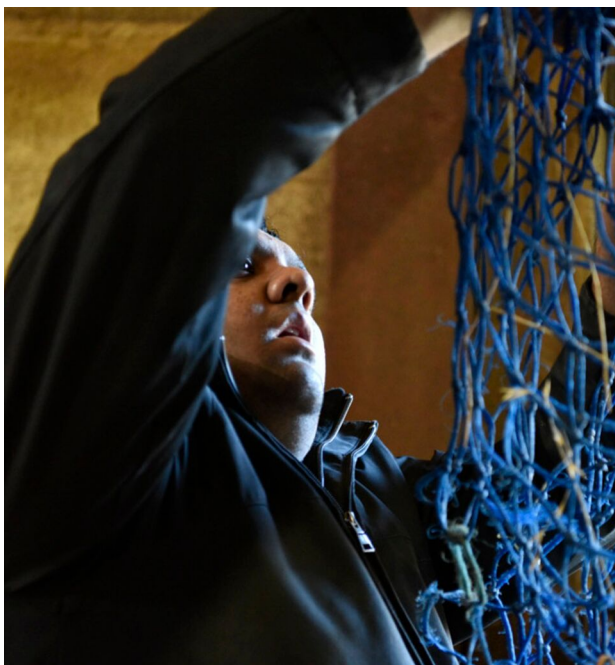

We are finally headed into cooler months! Well... we think! The weather has been mighty hot lately! Our participants were busy all summer helping to keep the stables running during the busy camp season. Making sure all of the horses are kept healthy, happy, clean, and ready to go for the camp riders is a big job. We also helped to keep the facilities swept, ring mucked and watered, helmets clean, and horse equipment put back in place. Our participants handled it wonderfully!! It is a very busy time in the summer and they do a great job keeping everything running smoothly, including keeping the vending machine well stocked for the larger number of visitors that come in daily. We also spent days outside riding on the trail this summer, both of which are well deserved breaks from work. We had two wonderful summer workshop sessions in June and in August and hope to see everyone back this fall. Check the dates to the left for our upcoming schedule through the end of November.

As we move into Fall more outdoor jobs will continue and we look forward to cooler days on the trail! Sweeping, cleaning branches, and raking leaves will be on the daily list of chores as well! We are also so proud to be the recipients of a Montgomery County, County Executive Grant!! This grant is to fund a greenhouse on the property. The structure will be ordered and erected this fall and we are so excited to have this opportunity to extend our growing season and provide our participants another indoor work space. Be on the look out for our resource table at upcoming fairs and our Open House. Have a wonderful Fall season!

MEET VENKAT!

CPP Participant Feature

Venkat has been coming to CPP since we first opened in 2014! He is an incredibly hard worker and happy to lend a hand, whenever he is needed. He is really good at lifting heavy bales of hay, mucking stalls, mending fences, sweeping, and working on special projects. He is a friend to everyone and we are so happy to have him at CPP. Keep up the great wonderful work Venkat, we are proud of you!
